

ABOUT OUR BAKERY

Since 1986, Der Dutchman Restaurant's bakery in Plain City has been producing the area's best-tasting Amish-style pies, breads, cookies, pastries and cakes. Over the years, we've become known throughout the Columbus area for quality products and impeccable service.

Der Dutchman Delivery Some years ago, we began a wholesale delivery service that reaches local groceries, convenience stores, cafes, hotels and caterers. Our items are baked fresh daily and carefully delivered the same day they are baked. We deliver Monday through Saturday.

DONUTS AND PASTRIES

In the wee hours, our bakers are hard at work. While Plain City sleeps, they're busy glazing dozens of apple fritters, putting the finishing touches on our famous cream-filled Long Johns and dusting sugar over the biggest cinnamon twists you may have ever seen.

Proven Sellers With long track records as best-sellers, our donuts and pastries provide excellent opportunities for both retail sales in your shops or for catering.

BREADS AND ROLLS

No preservatives

Our yeast breads are never made with preservatives or fillers and the taste reflects that. Caterers and retail stores alike will appreciate the freshness that is our bakery's signature.

Sweet Rolls

Available in single rolls or pans, our cinnamon rolls are topped with a flourish of creamy white or caramel frosting. Try our pecan rolls for a decadent and addicting variation.
